Action Item:

6. AD 89-014W1, Proposed 60 feet by 90 feet (5400 sq. ft.) Oversized Steel Barn for Farming/Ranching Activities at 2365 San Vicente Rd. Cantor, Owner. After considerable discussion regarding the use of the proposed barn, there was a motion to approve the administrative permit contingent on a lack of objections from neighboring properties.

Concern over the size of the barn and lack of documentation for it's use as well as the disposition of the current small out buildings were the main objections. The barn will purportedly be used for storage of equipment and supplies, not the housing of animals.

Motion was by Bob Krysak and second by George Eastwood. The motion passed 3 to 1 with Thomas Levin voting no.

7. Adjournment at 7:40.
